

Lev 10:3

*And Moses said to Aaron, "This is what the LORD spoke, saying:
'By those who come near Me
I must be regarded as holy;
And before all the people
I must be glorified.' "*

Who is God to you?

Is he just some big guy (you may even call Him the "Big Guy") sitting in heaven on His throne?

Maybe he is your personal Santa Claus, meaning you only call out to Him when you are in need or want something.

Maybe He is a statue or picture you worship.

Can your god do all things or do you doubt him on certain things?

Who is God to you?

*"This is what the LORD spoke, saying:
'By those who come near Me
I must be regarded as holy;
And before all the people
I must be glorified.' "*
